NATION MESSAGES

There are rumors of an armed conflict involving the Heathen Kings at 3335.

ENCOUNTER MESSAGES

Encounter for Regent Dorf in the Flask at 4021

During the day, outlying scouts reported loud grunts and the crash of rock upon rock in the nearby valley. The army moved closer to investigate these strange occurrences. As we entered the valley, a strange sight lay before us. Two huge humanoid beings were hurling boulders into the air in some type of wild game. We hesitantly moved forward in order to contact them. However, despite our best efforts, they merely ignored us and continued to play their game. As we moved even closer, they merely looked at us and moved away. We were unable to match their speed among the rocks and we do not know where they have gone.
