COMBAT MESSAGES

Battle at 3022

In the Warm climate of the Mixed Forest of 3022, a conflict took place in the early morning hours under a clear sky.

At the head of a demoralized army rode **Lord Urthel** of the nation of the Ground Pounders. In her hands was borne the glowing Sword called Herugrim. The mount on which she rode stood cautiously at the rear of the battle lines. Behind her the forming ranks were filled with:

Troops	Weapons	Armor	Formations
900 Plainsman footmen w/broadswords	bronze	bronze	a mob

At the head of a rebellious army rode **Commander Strulug** of the nation of the South Kingdom. The mount on which he rode moved with trepidation to the center of the battle lines. Behind him the forming ranks were filled with:

Troops	Weapons	Armor	Formations
1034 Dúnadan footmen w/broadswords	wooden/bronze	leather/bronze	a mob

At the head of a rebellious army rode **Veteran Waren** of the nation of the Benîm an Pharazôn. The mount on which she rode moved with trepidation to the center of the battle lines. Behind her the forming ranks were filled with:

Troops	Weapons	Armor	Formations
1550 Mixed Mannish horsemen w/shortswords	wooden/bronze	leather/bronze	a mob

The Village of Elmgrove flying the flag of the South Kingdom is situated in the Mixed Forest here.

Report from Urthel.....My commanders moved among the troops before battle, readying them, bolstering their resolve, and issuing last minute orders. The troops needed this encouragement because many feared that they would die in the battle. Finally the order was passed down the ranks.. Surround them. Attack from all sides!

Against the forces of Strulug, we quickly surrounded their standard formation.
 Against the forces of Waren, they charged but we quickly surrounded them.

After the battle had joined in earnest, heroes made their presence known all over the battlefield. **Urthel** fought side by side with the troops and diverted many a blade during the pitched battle with her glowing Sword. **Forthain** fought side by side with the troops and diverted many a blade during the pitched battle with his glowing Javelin.

Report from Urthel.....Our foot soldiers fought around every bush and tree, always trying to push through the underbrush. The troops tried to fight well, but they needed much more training. They fought very poorly. However, we were overrun in less than a few hours.

After the battle.... Urthel's forces were destroyed/routed in the battle. Urthel appeared to have survived but suffers from deadly wounds. Strulug's forces were victorious in the battle, but suffered minor losses. Strulug appeared to have survived. Waren's forces were victorious in the battle, but suffered minor losses. Waren appeared to have survived.

Battle at 3822

In the Mild climate of the Mountains of 3822, a conflict took place in the early hours of the evening in high winds.

At the head of a calm army rode **Hero Fremont** of the nation of the RhunLandChattelCo. The mount on which he rode moved calmly to the front of the battle lines. Behind him the forming ranks were filled with:

Troops	Weapons	Armor	Formations
290 Mixed Mannish footmen w/battle axes	bronze	bronze	a mob
80 Mannish slaves w/shortswords	bronze	leather	a mob

The Camp of Estolad flying the flag of the Ground Pounders is situated in the Mountains here.

After the battle.... Fremont's forces found no enemy armies to fight.

The battle for Estolad was over even before it began. The attackers were so numerous and strong that the defending militia had little chance to save themselves. The battle was over in just a few hours!!

After the attack on the population center.... Fremont's army survived the attack on the Camp, but suffered minor losses. Fremont appeared to have survived. The Camp has been reduced to a Ruins. The Ruins of Estolad now flies no known flag.
