NATION MESSAGES

There are rumors of a theft attempt involving Okmok at Kel Horend.

ENCOUNTER MESSAGES

Report from the village at 2404.

Loyalty in this population center has been lowered during the past two weeks as noxious gases and thunderclouds of black smoke have been seen erupting from the mountain peak near their location. The citizens are rapidly losing heart and many are talking about abandoning the location.

Report from the camp at 2304.

The tremors which have occurred in the neighboring regions at first struck fear into the hearts of our citizens. Then, however, they began to rejoice that the founders had been wise enough not to build on a dormant volcano as it was evident that some others had done. Even though we tried to tell them that any of the mountains in the region could hide dormant volcanos, they refused to listen to us as usual and loyalty has increased accordingly.
