COMBAT MESSAGES

Battle at 2304

In the Polar climate of the Mountains of 2304, a conflict took place in the early morning hours in a dense and oppressive fog.

At the head of a calm army rode **Lord Celeborn** of the nation of the Galadhrim. The mount on which he rode moved calmly to the front of the battle lines. Behind him the forming ranks were filled with:

Troops	Weapons	Armor	Formations
--------	---------	-------	------------

462 Mixed Elven horseriders w/broadswords	wooden/bronze	bronze/steel	ragged ranks
---	---------------	--------------	--------------

At the head of a calm army rode **Captain Ulrac M'orkai** of the nation of the Black Numenroeans. The mount on which he rode moved calmly to the front of the battle lines. Behind him the forming ranks were filled with:

Troops	Weapons	Armor	Formations
--------	---------	-------	------------

400 Mixed Mannish footmen w/battle axes	wooden	none	a mob
---	--------	------	-------

The Camp of Denkoa flying the flag of the Galadhrim is situated in the Mountains here. It is fortified by a Tower.

Suddenly, violent bolts of lightning crashed into and around the battleground. Unnaturally strong and driving rain caused Army Commanders to review their chosen tactics. Lord Celeborn changed tactics to standard battle formation.

Report from Celeborn.....My commanders moved among the troops before battle, readying them, bolstering their resolve, and issuing last minute orders. Some of the troops needed this encouragement but others were checking the readiness of their weapons. Finally the order was passed down the ranks.. Keep close ranks. Use standard formation. Like we practiced!

Against the forces of Ulrac M'orkai, it was a classic attack - our standard formation against theirs.

After the battle had joined in earnest, heroes made their presence known all over the battlefield.

Report from Celeborn.....Our cavalry were severely hampered by the mountainous terrain and the steep cliffs. The troops fought well, but they could have been better trained. They fought as if uninspired. Although the enemy fought hard, we finally succeeded in overwhelming them after a long battle.

Commanders on the scene ordered their troops to salvage what they could from the remains of the enemy forces..

Lord Celeborn: 1 Food

After the battle.... Celeborn's forces were victorious in the battle, but suffered minor losses. Celeborn appeared to have survived. Ulrac M'orkai's forces were destroyed/routed in the battle. Ulrac M'orkai appeared to have survived.

SPECIAL MESSAGES

FREE TURNS! Do you have any friends that would enjoy playing ME-PBM? MEPBM will credit you with a free turn for each NEW player that signs up and mentions your name (New players can only mention one name). If you

would like to start a game with several friends, just let us know! Please try to collect all names & required funds, and mail together, when joining with friends. Current player set-ups are: £5.00, new player registrations are: £10.00

Front Sheet

The FrontSheet is now in the main body of the email of each turn you get. This also includes nations available, new games starting up, generic message from us about other aspects of the game as well as game reports. It also has your balance and the conta
