ENCOUNTER MESSAGES

Encounter for Aragost at 1424

She stopped still as a temple mouse and waited anxiously to see if the Demon would notice her. Nearer and nearer the Demon came as he rampaged through the area, looking for anything and anyone to attack. Finally the Demon screamed in total frustration and ran out - right past where she stood hiding. The sweat dripped from her body as she remained still for at least an hour to make sure that the Demon would not return. Then she made her way out of there as quickly as she could.

Encounter for Artamir at 1519

There is a small subterranean cave where the passage of time has seemed to stop. There is a sense of power about the place. On one wall you see enscribed in runes and glyphs of power:

Named in Numenorean form

he led seven hundred into the besieging storm.

A mighty warrior on field and before gate,

Prince he, his daughter king-wed by fate.

The essence of power seems to await just a one or two word answer to the riddle... What word(s) or name will Artamir say ? (If no response is given, she will be assumed to have fled the scene.)
