1037 Mounts transported from the Once Upon a Time to Purgatory.
There are rumors of an encounter involving Otto at 2317.
Our populace reports that a season change is imminent!

ENCOUNTER MESSAGES

Encounter for De Gregori at 4419

In the presence of an intimidating magical power, De Gregori stood forth and answered, "Argonath." Nothing happened for a moment, and then, with an almost palpable shudder, the walls wavered and the light went out. On the floor a magical Helm named Listening Helm lay quietly glowing. De Gregori took it with him.

COMBAT MESSAGES

Battle at 4427

In the Hot climate of the Hills & Rough of 4427, a conflict took place in the early morning hours in high winds.

At the head of a demoralized army rode **Warlord Lucy Pearl** of the nation of the Sing a Song. In her hands was borne the glowing Bow called Horse-slayer. The mount on which she rode stood cautiously at the rear of the battle lines. Behind her the forming ranks were filled with:

Troops	Weapons	Armor	Formations
1633 Northman horsemen w/battle axes	wooden/bronze	none/leather	ragged ranks

At the head of a highly energetic army rode **Commander Coronado** of the nation of the RhunLandChattelCo. The mount on which he rode cantered anxiously along the side of the battle lines. Behind him the forming ranks were filled with:

Troops	Weapons	Armor	Formations
106 Mixed Mannish horsemen w/shortswords	steel	steel	ragged ranks
1 Lesser Mannish horsemen w/scimitars	bronze/steel	bronze/steel	solid ranks

The Major Town of Industry flying the flag of the RhunLandChattelCo is situated in the Hills & Rough here. It is fortified by a Tower, and it is under siege or attack.

Suddenly, violent bolts of lightning crashed into and around the battleground. Unnaturally strong and driving rain caused Army Commanders to review their chosen tactics. Warlord Lucy Pearl changed tactics to standard battle formation.

Report from Lucy Pearl.....My commanders moved among the troops before battle, readying them, bolstering their resolve, and issuing last minute orders. The troops needed this encouragement because many feared that they would die in the battle. Finally the order was passed down the ranks.. Keep close ranks. Use standard formation. Like we practiced!

Against the forces of Coronado, it was a classic attack - our standard formation against theirs.

After the battle had joined in earnest, heroes made their presence known all over the battlefield. **Lucy Pearl** burst forth with a blood curdling yell and rushed to meet whatever foes would face her glowing Bow.

Report from Lucy Pearl.....Our cavalry rode swiftly around and over the small hills and attacked the enemy savagely. The troops tried to fight well, but they needed much more training. They fought very poorly. Although the enemy fought hard, we finally succeeded in overwhelming them after a long battle.

Commanders on the scene ordered their troops to salvage what they could from the remains of the enemy forces..

Warlord Lucy Pearl: 228 Food

After the battle.... Lucy Pearl's forces were victorious in the battle, but suffered minor losses. Lucy Pearl appeared to have survived. Coronado's forces were destroyed/routed in the battle. Coronado appeared to have survived.

The battle for Industry was over even before it began. The attackers were so numerous and strong that the defending militia had little chance to save themselves. The battle was over in just a few hours!!

After the attack on the population center.... Lucy Pearl's army survived the attack on the Major Town, but suffered some losses. Lucy Pearl appeared to have survived. The Major Town has been reduced to a Ruins. The Tower has not been affected. The Ruins of Industry now flies no known flag.
