ENCOUNTER MESSAGES

Report from the camp at 3921.

The tremors which have occurred in the neighboring regions at first struck fear into the hearts of our citizens. Then, however, they began to rejoice that the founders had been wise enough not to build on a dormant volcano as it was evident that some others had done. Even though we tried to tell them that any of the mountains in the region could hide dormant volcanos, they refused to listen to us as usual and loyalty has increased accordingly.
