Battle at 4422

In the Hot climate of the Open Plains of 4422, a conflict took place in the early hours of the evening under a clear sky.

At the head of a rebellious army rode **Regent Malantur** of the nation of the Ground Pounders. The mount on which he rode moved with trepidation to the center of the battle lines. Behind him the forming ranks were filled with:

1500 Plainsman footmen w/broadswords	wooden	none	a mob

At the head of a calm army rode **Veteran Orellana** of the nation of the RhunLandChattelCo. The mount on which he rode moved calmly to the front of the battle lines. Behind him the forming ranks were filled with:

At the head of a rebellious army rode **Veteran Ledyard** of the nation of the RhunLandChattelCo. The mount on which he rode moved with trepidation to the center of the battle lines. Behind him the forming ranks were filled with:

The Town of Purgatory flying the flag of the RhunLandChattelCo is situated in the Open Plains here. It is fortified by a Tower.

Report from Malantur....My commanders moved among the troops before battle, readying them, bolstering their resolve, and issuing last minute orders. The troops needed this encouragement because many feared that they would die in the battle. Finally the order was shouted across the battlefield. Head straight for them and then strike the left flank...the left flank! As our troops deployed, a cheer went up as balls of light green light burst among the enemy, and they realized that the mages had already started the battle. Against the forces of Orellana, we hit their flank and they hit ours.

Against the forces of Ledyard, they tried to lay an ambush, but we broke into their exposed flank.

After the battle had joined in earnest, heroes made their presence known all over the battlefield. **Dírhael** stood off to one side making magical gestures and incanting arcane words. Suddenly, many of his comrades felt their armor grow tougher and more resistant to the blows of their enemies. **Jeremiah Johnson** stood off to one side making magical gestures and incanting arcane words. Suddenly, magical barriers sprung up around

his comrades and prevented many a wound from occurring!

Report from Malantur....Our cavalry rode swiftly across the open plains and thundered into the enemy, killing many. Our foot soldiers engaged the other troops in the open and took the battle to them. The troops tried to fight well, but they needed much more training. They fought very poorly. Although we fought hard, and although the battle lasted many days, we were defeated..

Commanders on the scene ordered their troops to salvage what they could from the remains of the enemy forces.

Veteran Orellana: 52 Food
Veteran Ledyard: 38 Food

After the battle.... Malantur's forces were destroyed/routed in the battle. Malantur appeared to have survived but suffers from light wounds. Orellana's forces were victorious in the battle, but suffered huge losses. Orellana appeared to have survived. Ledyard's forces were victorious in the battle, but suffered huge losses. Ledyard appeared to have survived but suffers from serious wounds.
